## PLAN INDUSTRIAL EXHIBIT.

To Be Held in Burlington During Coming Summer.

Burlington, Dec. 3.—F. M. Sheldon is arranging for an industrial exhibit of Vermont goods to be held in this city for two or three months next summer. The exhibit will be held in the armory of Company M, and the project has been placed in the hands of Charles O. Watkins of New York. While this exhibit will be in no wise connected with the Champlain Tercentenary, it is thought that the assembling of many visitors for the celebration will afford a fine chance to show up the state's industries. A very complete exhibit is planned, and the co-operation of the people of the state is expected. A special train will be run to this city from various sections of the state to carry passengers for the exhibition.

## IDENTIFIED BY WIFE.

Remains of Fire Victim in Richmond Last October.

Richmond, Dec. 3.—The remains of James Tuttle a victim of the elevator fire of October 7, have been identified by his wife and will be buried on Friday. The remains of the other victims will also be buried on that day, although they have not been identified.

A safe weighing about 1,500 pounds fell through the elevator shaft at the Masonic Temple in Burlington Tuesday a distance of about 20 feet. The elevator had been raised to the top of the shaft and the safe was being drawn up by means of ropes and pulleys. The ropes broke and the safe crashed to the bottom of the shaft, landing on the motor and also damaging the shaft so that it will be some time before the elevator will be again in commission.

A large crowd attended, the Comique yesterday. The program was first class, the feature picture being the beautiful old fairy tale, "Puss in the Boots." The rich coloring and perfect acting make the many scenes of this grand old story very realistic. Another fine picture is "After Many Years." This is a dramatic subject worth seeing.

A horse belonging to William Smith of Patterson street indulged in a lively runaway this morning, resulting in a badly smashed wagon. The horse ran down Washington street and when in front of the Red Cross pharmacy one wheel struck a post and was cleared from the wagon. The horse continued down North Main street to the Smith market, where it was stopped. The only damage was to the wagon.
